INFORMATION DISCLOSURE STATEMENT

Sir:

This Information Disclosure Statement is being submitted as a duplicate of an Information Disclosure Statement previously submitted on April 11, 2005, but indicating on the cover letter the wrong serial number (10/621,237), even though the PTO-1449 included with the Information Disclosure Statement did indicate the correct serial number. Applicant's attorney respectfully submits that therefore a *bona fide* attempt has been made to comply with §1.98 but that part of the required content was inadvertently omitted (namely the correct serial number on the cover letter), and so applicant submits that the provisions of §1.97(c) apply, and therefore that the fee set forth in §1.17(p) is sufficient to have the references disclosed herewith considered by the examiner.

I hereby certify that this correspondence is being deposited with the United States Postal Service on the date shown below with sufficient postage as first-class mail in an envelope addressed to:
Commissioner for Patents, P.O. Box 1450,
Alexandria, VA 22313-1450.

Respectfully submitted,
